

The 2020 Clara Wells Fellowships

Fellows to be in residence at the 2020 Matthay Piano
Festival at the

College of St. Scholastica
Duluth, Minnesota
June 24-27, 2020

In 1971, Clara Wells, a devoted student of Tobias Matthay in the 1930s, was memorialized by her husband, the late Samuel Masland, who dedicated funds to the American Matthay Association (after 2002, the American Matthay Association became the American Matthay Association for Piano, or AMAP) in her name to offer scholarships promoting knowledge of Matthay principles. For many years the Matthay Association felt the best use of this bequest lay in providing funds for young pianists to study with teachers trained in Matthay principles via a performance competition. But in 2015, the AMAP Board of Governors decided to offer two Fellowships underwriting residencies at future festivals, and the first two were awarded at the 2016 Matthay Festival at Pennsylvania State University. Thus far, additional awards have been conferred at Arizona State University, at Union University, and at the University of Alabama. The purpose of these fellowships is to enable a more intensive exposure to Tobias Matthay and to our organization.

This year's Fellows will receive:
